I WILL BE LIKE A CANDLE AND
LIGHT UP THE DARKNESS BY:

The festival of Chanukah is about
 LIGHT OVERCOMING THE DARKNESS
 “The soul of man is a lamp of G-d” (Proverbs 23:27).
 Our personal challenge is to bring light into the world.
 Chanukah candles illuminate after nightfall, to remind us that even
 in our darkest moments by doing acts of goodness and kindness
 we have the potential to illuminate the universe.
